IS MADE
A PARISH
St. Clement's Given
Status of a
Church.

It is now St. Clement's Church, for under a provisional recognition and agreement, made yesterday by Right Rev. William Ford Nichols, Bishop in charge of the missionary district of Honolulu, there is established the parish of St. Clements, with the Rev. John Osborne as rector. At the same time the rector of the new parish was made one of the canonical clergy of the district.

The consummation which has attracted as much notice as any other single thing during the entire settlement of the church affairs, was made known at a service held yesterday morning, at which the Rev. John Osborne officiated, assisted by Canon Mackintosh of St. Andrews, the sermon being delivered by the Bishop in charge. The service drew to the pretty little church an audience which filled its seats as they have not been crowded before. The service, too, was made choral by an augmented choir, there being many St. Andrews' people in the benches as well as in the pews.

After the morning prayer service Bishop Nichols read the following letter, which contained the news which was so welcome to the faithful who have served in the ranks at the chapel since its construction, and despite the flims at its status, have continued steadfast. It says:

Our Class of Furniture

might lead you to suppose we a k large prices, but such is far from the truth.

Although all goods that come into our establishment must pass the closest scrutiny and give a good account of themselves both from the standpoint of quality and art our prices are lower than are asked for inferior goods. We give you the benefit of our good judgment and taste in buying.

Bedroom Sets
At \$32

and the very best for the money. Of course we have cheaper ones but these are of hardwood finish and consist of seven pieces.

Don't Forget

that when you want couches, pillows filled, furniture repaired and polishing done that our UPHOLSTERY, AND REPAIR DEPARTMENT is up-to-date.

In some features the display of fire works on Pacific Heights Saturday night was excellent, and though the exhibition was delayed and the was were tedious, the people stayed to watch. The best things were the grapes and the wisteria. Both were excellent. The display was short of aerial torpedoes and bombs but all showed careful study. Prof. Nokomu may give other exhibitions.
